

CURRICULUM VITAE

Michael J. A. Klebuc, M.D.

A. GENERAL INFORMATION

Office Address: Houston Methodist Hospital
6560 Fannin, #2200
Houston, TX 77030

Office Telephone: 713-441-6108

Office Fax: 713-790-2088

Email: mklebuc@msn.com

B. EDUCATIONAL BACKGROUND

<i>Degree</i>	<i>Institution</i>	<i>Dates Attended</i>	<i>Year Awarded</i>
B.S	University of Saskatchewan Saskatoon, Saskatchewan, Canada Major: Anatomy	1985-1989	1989
M.D.	University of Saskatchewan School of Medicine Saskatoon, Saskatchewan, Canada	1989-1993	1993

C. PROFESSIONAL POSITIONS AND EMPLOYMENT

Post-doctoral training

<i>Title</i>	<i>Institution</i>	<i>Dates</i>
Pediatric Microsurgery Fellowship	Hospital for Sick Children Toronto, Canada	2000-2001
Plastic Surgery Residency	Baylor College of Medicine Houston, Texas	1997-2000
General Surgery Residency	Baylor College of Medicine Houston, Texas	1994-1997
Plastic Surgery Research Fellowship	Baylor College of Medicine Houston, Texas	1993-1994

Academic positions

<i>Title</i>	<i>Institution</i>	<i>Dates</i>
Assistant Professor of Plastic and Reconstructive Surgery	Michael DeBakey Department of Surgery Baylor College of Medicine Houston, Texas	2001-2005
Assistant Professor of Surgery (Plastic and Reconstructive Surgery)	Houston Methodist Hospital Weill Cornell Medical College Houston, TX	6-1-07-Present

Hospital positions

<i>Title</i>	<i>Institution</i>	<i>Date</i>
Active Staff	Houston Methodist Hospital Houston, TX	2001-present
Active Staff	Texas Children’s Hospital Houston, TX	2001-present
Active Staff	Texas Orthopedics Hospital Houston, TX	2001-present
Medical Director	Plastic Surgery Unit Houston Methodist Hospital Houston, TX	2004-2012
Courtesy Staff	Houston Methodist Hospital West Houston Houston, TX	2011-present

D. LICENSURE, BOARD CERTIFICATION, MALPRACTICE (if applicable)

Board Certification

<i>Name of specialty</i>	<i>Board Certificate Number</i>	<i>Date of Certification</i>
The Medical Council of Canada Licensing Exam (M.C.C.Q.E.)		1993
F. L.E.X.		1993
American Board of Plastic Surgery Written Exam		passed (September, 2000)
American Board of Plastic Surgery Oral Exam		passed (September, 2002)
American Board of Plastic Surgery Recertification		(October 2011)

E. PROFESSIONAL MEMBERSHIPS (medical and scientific societies)

<i>Member/officer</i>	<i>Name of Organization</i>	<i>Dates held</i>
Member	Texas Medical Association	2001-present
Member	Harris County Medical Society	2001-present
Candidate Member	American Society for Reconstructive Microsurgery	2001-2006
Member		2007-present
Executive Committee		2008-2009
Chairman	(YMG) Young Microsurgeons Group	2009
Chairman	Electronic Communications Committee	2010-2011
Executive Committee		2012-present
Member	Plastic Surgery Research Council	2002-present
Member	American Society of Plastic Surgeons	2005-present
Member	World Society for Reconstructive Microsurgery	2005-present
Member	Houston Society of Plastic Surgeons	2009-present

F. HONORS AND AWARDS

<i>Name of award</i>	<i>Date awarded</i>
Province of Saskatchewan University Entrance Scholarship	1985
University of Saskatchewan Undergraduate Scholarship for Academic Achievement	1987
University of Saskatchewan Undergraduate Scholarship for Academic Achievement	1988
University of Saskatchewan Undergraduate Scholarship for Academic Achievement	1989
University of Saskatchewan School of Medicine Prize in Psychiatry	1993
Plastic Surgery Education Foundation Research Award: First Place "New Concepts in Fasciocutaneous Flaps" Awardees: Tunc Safak, MD & Michael Klebuc, MD	1994
Lipoplasty Society: Golden Cannula Award for best research "Improvement of Free Fat Graft Survival: In Vivo Long-Term Delivery of IGF and Insulin Using PLGA/PEG Microspheres" Awardee: Michael Klebuc, MD	1998
2000 Senior Residents Conference, Gainesville Florida Best Paper Award Awardee: Michael Klebuc, MD	2000
Baylor College of Medicine, Teaching Excellence Award Awardee: Michael Klebuc, MD	1999-2000
Texas Society of Plastic Surgeons Annual Meeting	

Austin, Texas Best Scientific Paper Award for Masseter-to-Facial Nerve Transfer: A New Technique for Facial Reanimation" Awardee: Michael Klebuc, MD	2004
Humanitarian Award: Victims of Domestic Violence Family Abuse Center, Waco, Texas, Awardee: Michael Klebuc, MD	2005
Texas Monthly Magazine, Texas Super Doctors	2006-2013
Honored, Best Doctors in America	2006-2008
Honored, Consumers' Research Council of America "America's Top Surgeon"	2006
Honored, "America's Top Plastic Surgeons"	2006-2014
Texas Society of Plastic Surgeons: 2 nd Prize for Clinical Research Salvage of Infected Vascular Grafts with Antibiotic Impregnated Beads	2007
Bacucum Fellowship Award Travel to Barcelona, Spain Awardee: Michael Klebuc, M.D.	2008
Texas Society for Plastic Surgeons 2010 Annual Meeting Bastrop, Texas 1 st Prize for Clinical Research "Accellular Dermal Matrix and Negative Pressure Wound Therapy: A Tissue Engineered Alternative to Free Tissue Transfers In the Compromised Host"	2010
US News & World Report Top Plastic Surgeons in America	2012

G. INSTITUTIONAL/HOSPITAL AFFILIATION

Primary Hospital Affiliation: Houston Methodist Hospital

Other Hospital Affiliations: Houston Methodist Hospital West Houston
Texas Children's Hospital
Texas Orthopedic Hospital

Other Institutional Affiliations: Weill Cornell Medical College

H. EXTRAMURAL PROFESSIONAL RESPONSIBILITIES

Reviewer	Journal of Reconstructive Microsurgery	2008-present
Reviewer	Head & Neck Journal	2012-present

NATIONAL & INTERNATIONAL PRESENTATIONS

1. Study of Peripheral Nerve Regeneration Using Antisense Technology. Phase 1: Expression of c-fos and BDNF in the Spinal cord after Peripheral Nerve Injury.
American Society for Peripheral Nerve
Westchester, New York, 1994
2. Study of Peripheral Nerve Regeneration Using Antisense Technology. Phase 1: Expression of c-fos and BDNF in the Spinal cord after Peripheral Nerve Injury.
Plastic Surgery Research Council
Ann Arbor, Michigan, 1994
3. A Guinea Pig Model of Pigmentation
American College of Surgeons (co-presenter)
San Francisco, California, 1994
4. The Iliotibial Tract Fasciocutaneous Flap: A clinical and Anatomic Study
American Association of Plastic Surgery (co-presenter)
St. Louis, Missouri, 1994
5. New Concepts in Fasciocutaneous Flaps: Plastic Surgery Forum (ASPRS)
Junior Award-Clinical Research (co-presenter)
San Diego, California, 1994
6. Video Imaging Verses Photography in Plastic Surgery Patients.
American Society of Plastic and Reconstructive Surgeons.
67th Annual Scientific Meeting

- Boston, Massachusetts, 1998.
7. Standardization of Image Documentation (Instructional Course)
American Society of Plastic and Reconstructive Surgeons
67th Annual Scientific Meeting
Boston, Massachusetts, 1998.
 8. Improvement of Free Fat Graft Survival: In Vivo Long-Term Delivery of IGF and Insulin Using PLGA/PEG Microspheres
Lipoplasty Society
Boston, Massachusetts, 1998.
 9. Refinement of Radiated Free Tissue Transfers with Suction Assisted Lipectomy.
American Society of Reconstructive Microsurgery
15th Annual Meeting
Waikoloa, Hawaii, 1999.
 10. Techniques in Otoplasty (Instructional Course)
American Society of Plastic and Reconstructive Surgeons
68th Annual Scientific Meeting
New Orleans, Louisiana, 1999
 11. Digital Photography and Image Standardization in Plastic Surgery
American Society of Plastic and Reconstructive Surgeons
68th Annual Scientific Meeting
New Orleans, Louisiana, 1999
 12. Laser Assisted Obliteration in the Treatment of Frontal Sinus Fractures
Senior Residents Conference
Gainesville, Florida, 2000.
 13. Techniques in Otoplasty (Instructional Course)
American Society of Plastic Surgeons
69th Annual Scientific Meeting
Los Angeles, California, 2000 (by request of ASPSP)
 14. Digital Photography and Computer Imaging in Plastic Surgery
American Society of Plastic Surgeons
69th Annual Scientific Meeting
Los Angeles, California, 2000 (by request of ASPSP)
 15. Facial Paralysis: Diagnosis and Reconstruction
Plastic Surgery Board Review Course
Houston, Texas, 2001
 16. Pediatric Vascular Injuries: Non-invasive Evaluation and Current Treatment Approaches
American Society of Reconstructive Microsurgery
Annual Scientific Meeting
San Diego, California, 2001
 17. The Reverse Sural Neurofasciocutaneous Flap: A Versatile Alternative to Free Tissue Transfers for Lower Third Extremity Defects.
American Society of Reconstructive Microsurgery 19th Annual Meeting

- Kawai, Hawaii, 2003
18. Indications and Outcomes of Free Tissue Transfer to the Lower Extremity in Children.
American Society of Reconstructive Microsurgery 20th Annual Meeting
Rancho Mirage, California, 2004
 19. The Mini-SIEA Flap for Partial Mastectomy Defects: A New Method of Reconstruction for Deformities after Breast Conservation.
American Society of Reconstructive Microsurgery (Co-Presenter) 20th Annual Meeting
Rancho Mirage, California, 2004
 20. An Inter-operative Algorithm for Muscle Sparing Abdominal Flap Selection.
American Society of Reconstructive Microsurgery (Co-Presenter)
20th Annual Meeting
Rancho Mirage, California, 2004
 21. Enhancing Osteogenesis and Bone Graft Survival with Periosteal Free Flaps: An Early Clinical Experience.
American Society of Reconstructive Microsurgery
20th Annual Meeting
Rancho Mirage, California, 2004
 22. Facial Reanimation Options
6th International Moebius Syndrome Conference
Arlington, Texas, 2004
 23. Practical Strategies for Lower-Extremity Reconstruction: A Combined Plastic-Orthopedic Surgical Approach (Instructional Course)
American Society of Plastic Surgeons
73rd Annual Meeting
Philadelphia, Pennsylvania, 2004
 24. Masseter-to-Facial Nerve Transfer: A New Technique for Facial Reanimation
American Society of Reconstructive Microsurgery
21st Annual Meeting
Puerto Rico, USA, 2005.
 25. Masters of Microsurgery: The Gracilis Free Muscle Flap (panelist)
American Society of Reconstructive Microsurgery
21st Annual Meeting
Puerto Rico, USA, 2005.
 26. General Reconstruction and Burn Management Symposium (Moderator)
American Society of Plastic Surgeons Chief Residents Conference
Houston, Texas, 2005.
 27. Masseter-to-Facial Nerve Transfer: A New Technique for Facial Reanimation
III Congress of the World Society for Reconstructive Microsurgery
Buenos Aires, Argentina, 2005
 28. Practical Strategies for Lower-Extremity Reconstruction: A Combined Plastic-Orthopedic Surgical Approach (Instructional Course)
American Society of Plastic Surgeons 74th Annual Meeting

Chicago, Illinois 2005

29. Emergency Management of Soft Tissue Injuries Emergency and Critical Care Medicine: The Cutting Edge.
Medical Symposiums, Inc. & Texas College of Emergency Physicians
Fajardo, Puerto Rico, USA, February, 2006
30. Pediatric Plastic Surgery for the Non-Craniofacial Surgeon (Instructional Course)
American Society of Plastic Surgeons 75th Annual Meeting
San Francisco, California, 2006
31. Practical Strategies for Lower-Extremity Reconstruction: A Combined Plastic-Orthopedic Surgical Approach (Instructional Course)
American Society of Plastic Surgeons 75th Annual Meeting
San Francisco, California, 2006
32. Vascular Injuries in Very Small Children: An Algorithm for Diagnosis and Treatment
American Society for Reconstructive Microsurgery
Rio Grande, Puerto Rico, January 16, 2007.
33. Facial Reanimation with the Masseter-to-Facial Nerve Transfer: Initial Experience
American Society for Reconstructive Microsurgery
Rio Grande, Puerto Rico, January 14, 2007
34. Facial Nerve Reconstruction
The Methodist Hospital International Lecture Series Teleconference
Central America, March 23, 2007
35. Practical Strategies for Lower-Extremity Reconstruction: A Combined Plastic-Orthopaedic Surgical Approach
American Society of Plastic Surgeons
Baltimore, Maryland, October 2007
36. Pediatric Plastic Surgery for the Non-Craniofacial Surgeon
American Society of Plastic Surgeons
Baltimore, Maryland, October 2007
37. American Society for Reconstructive Microsurgery: Novel Nerve Transfers
Beverly Hills, California, January 2008
38. Salvage of Infected Vascular Grafts with Antibiotic Impregnated Beads
Society for Clinical Vascular Surgery 36th Annual Symposium
Las Vegas, Nevada, March 2007
39. Practical Strategies in Lower Extremity Reconstruction
American Society of Plastic Surgeons
Chicago, IL, October 2008
40. Mucormycosis: Microsurgical Intervention and Recent Pharmacotherapy Advances
American Society of Reconstructive Microsurgery
San Antonio, TX, November 2008

41. AAHS/ASPN/ASRM Annual Scientific meetings
ASRM Concurrent Break Out panels Coordinator "Cutting Edge Solutions for Facial Paralysis"
Boca Raton, FL, January 6-12, 2010
42. AAHS/ASPN/ASRM Annual Scientific meeting,
ASRM Master Series in Microsurgery: "Disasters of the Masters – Lower Extremity"
Boca Raton, FL, January 6-12, 2010
43. AAHS/ASPN/ASRM Annual Scientific Meetings
(Moderator) Facial Paralysis Panel
Cancun, Mexico, January 15-18, 2011
44. Salvage of Infected Vascular Grafts with Antibiotic Impregnated Beads
IPRAS Semi-annual Meeting
Vancouver, Canada, May 2011.
45. Functional units of the Face: Concept and Anatomy
IPRAS Semi-annual Meeting
Vancouver, Canada, May 2011
46. Facial Reanimation with the Masseter-to-Facial Nerve Transfer (Invited Presentation) Facial Paralysis
Panel
World Society for Reconstructive Microsurgery
Helsinki, Finland, June 24-July 2, 2011
47. Treatment of Facial Paralysis (Instructional Course)
American Society of Plastic Surgeons Annual meeting
Denver, Colorado, September 23-27, 2011
48. Duke Flap Course Faculty. Duke University, Durham, North Carolina, August 3-5, 2012.
49. Versatility of Masseter Nerve in Facial Reanimation (Presenter and Panel Chair) World Society
for Reconstructive Microsurgery. Chicago, Illinois, July 12-14, 2013.
50. The Methodist Hospital International Leading Medicine Series Global Best Practices and Innovations
in Heart and Oncology Care. Recent Advances in Oncologic Reconstructive Surgery, Saudi Arabia,
February 2-4, 2013.
51. ASRM Annual Meeting. Grand Hyatt Kauai, Kauai, Hawaii, January 11-14, 2014. Panel Chair:
Enhancing Outcomes in Facial Reanimation Utilizing a Multi-modality Approach: Present and Future.
52. 13th Shanghai International Plastic Surgery Conference, 2014 and 3rd Shanghai Plastic & Cosmetic
Forum, 2014, Shanghai, March 14-16, 2014. Guest Speaker: Facial Paralysis Reconstructive Surgery.

State Presentations

1. Extremity Reconstruction.
Texas Medical Association
Austin, Texas (presenter), 1998
2. Novel Strategies in the Treatment of Complex Lower Extremity Injuries with Associated Vascular Damage.
Texas Society of Plastic Surgeons
50th Annual Meeting
San Antonio, Texas, 2003
3. Wound Coverage Techniques
The Big Meeting: Texas Podiatric Medical Association
Houston, Texas, 2004
4. Masseter-to-Facial Nerve Transfer: A New Technique for Facial Reanimation
Texas Society of Plastic Surgeons
Austin, Texas, 2004
5. Subatmospheric Pressure Therapy in Complex Lower Third Extremity Wounds: An Evolution in the Reconstructive Ladder.
Texas Society of Plastic Surgeons
Austin, Texas, 2004
6. Minimizing Complications with Lower Extremity Tissue Expansion Utilizing Endoscopic Assisted Placement
Texas Society of Plastic Surgeons
Frisco, Texas, 2006
7. Salvage of Infected Vascular Grafts with Antibiotic Impregnated Beads
Texas Society of Plastic Surgeons
Bastrop, Texas 2007
8. Mucormycosis: Microsurgical Intervention and Recent Pharmacotherapy Advances
Texas Society of Plastic Surgeons
San Antonio, TX, November 2008
9. Reconstruction of Full Thickness Calvarial Defects: A Role for Integra
Texas Society Of Plastic Surgeons
San Antonio, TX, November 2008
10. Antibiotic Impregnated Bone Cement: A Multipurpose Reconstructive Tool in Hostile Environments
Texas Society of Plastic Surgeons
November 2008
11. Lee E, Klebuc M. "Accellular Dermal Matrix and Negative Pressure Wound Therapy: A Tissue Engineered Alternative to Free Tissue Transfer in the Compromised Host"
Texas Society of Plastic Surgeons Annual Meeting
Bastrop, Texas. September 24-26, 2010

12. Invited Speaker: Klebuc M. "Early Facial Reanimation" Texas Association of Neurological Surgeons 2013 Annual Meeting, Horseshoe Bay, Texas, February 28-March 3, 2013.

Local Presentations

1. Lower Extremity Reconstruction. (Surgical Grand Rounds)
Michael E. DeBakey Department of Surgery
Baylor College of Medicine
Houston, Texas, 2001
2. Advances in Lower Extremity Reconstruction. (Surgical Grand Rounds)
Department of Orthopedic Surgery
Baylor College of Medicine
Houston, Texas, 2002
3. New Frontiers in Reconstructive Microsurgery.
Houston Society of Plastic Surgeons
Houston, Texas, 2003
4. Lower Extremity Reconstruction
Extreme Makeover: Real Plastic Surgery Today
The Methodist Hospital
Houston, Texas, 2004
5. Limb Salvage Surgery
Vascular Surgery Grand Rounds
Michael E. DeBakey Department of Surgery
Baylor College of Medicine
Houston, Texas, 2004
6. A Multidisciplinary Approach to Lower Extremity Salvage
Bayshore Medical Center, Pasadena, Texas, 2005
7. Negative Pressure Wound Therapy
Texas Medical Center Association of Wound Care Nurses
Houston, Texas, 2005
8. Facial Reanimation Surgery, Plastic Surgery Grand Rounds
M.D. Anderson Cancer Center
Houston, Texas, March 2006
9. Role of Pedicle Flaps in Limb Salvage: Reconstructive Surgery Conference
M.D. Anderson Cancer Center
Houston, Texas, April 2006
10. Facial Reanimation with Masseter-to-Facial Nerve Transfer: What's Hot in Plastic Surgery
Houston Society of Plastic Surgeons
Houston, Texas, April 2006
11. Facial Paralysis Surgery: Houston Reconstructive Surgery Conference
M.D. Anderson Cancer Center
Houston, Texas, October 2006

13. Non-Microsurgical Reconstruction in the Era of Microsurgery: Houston Reconstructive Surgery Conference (panelist)
M.D. Anderson Cancer Center
Houston, Texas, January 26, 2007
14. Recent Advances in Facial Paralysis Surgery
Department of Neurology Grand Rounds
The Methodist Hospital
Houston, Texas, May 25, 2007
15. Multidisciplinary Facial Trauma Symposium: Extracranial Injury to the Facial Nerve
University of Texas Medical School
Houston, Texas, August 08
16. Management of Traumatic Facial Nerve Injuries Trauma Conference
University of Texas Medical School
Houston, TX, August 2008
17. Limb Salvage Therapy.
Baylor College of Medicine Grand Rounds
Houston, Texas, January 29, 2010
18. Program Director – The Methodist Hospital Department of Nursing – Nursing Symposium. Plastic & Reconstructive Surgery: Core Concepts and Postoperative Management Essentials. Houston, Texas. October 15, 2010.
19. Presenter – “Flaps and Grafts” The Methodist Hospital Department of Nursing – Nursing
Presenter – “Facial Reanimation Surgery” The Methodist Hospital Department of Oral-Maxillofacial Surgery. Grand Rounds, March 28, 2010
20. Presenter – “Facial Reanimation Surgery”
The Methodist Hospital Department of Oral-Maxillofacial Surgery Grand Rounds.
March, 28, 2010
21. Presenter – Traumatic Facial Nerve Injuries
University of Texas Facial Trauma. Grand Rounds
September 15, 2011
22. Presenter – Surgical Rehabilitation of the Paralyzed Face. The Methodist Hospital. Neurosurgery Grand Rounds. February 24, 2012.
23. Presenter – Surgical Treatment of Facial Paralysis. Methodist Neurological Institute, 5th Annual Advances in Neurology. Houston, Texas September 8, 2012.
24. Presenter – Role of Facial Reanimation Surgery in the Acoustic Neuroma Patient. Acoustic Neuroma Association, Houston Chapter. Houston, Texas, December 7, 2013.
25. Co-chair. Essential Strategies in Reconstructive Surgery: Practical Approaches for Outcome Optimization. Houston Methodist Institute for Technology, Innovation & Education, Houston, Texas, September 27, 2014.
